

Join us at the Cancer Network Forum

30 May 2024

The Cancer Network WA (CNWA) at North Metropolitan Health Service, in collaboration with the WA Clinical Oncology Group (WACOG) at Cancer Council WA, is excited to announce a one-day symposium on 30 May.

The Cancer Network Forum is an opportunity to reflect on and recognise the achievements of the collective efforts by organisations contributing to the goals of the WA Cancer Plan 2020-2025.

Key details:

- **Date:** Thursday, 30 May 2024 from 9am to 3pm
- **Venue:** The University Club of Western Australia, Banquet Hall
- **Theme:** Celebrating Progress towards the WA Cancer Plan 2020-2025

This will be a complimentary full day event. This symposium presents a unique opportunity to share insights, foster collaboration, and celebrate advancements in cancer research and care.

Attendees will have a chance to network with peers and participate in their topics of interests during the breakout sessions.

We encourage all interested parties to join us for this educational event and hear about cancer care improvement initiatives in WA.

To register, visit <https://cancer-network-forum.eventbrite.com.au> or scan the QR code.

Please RSVP by Friday 24 May for catering purposes.
